Answers to Questions

Question 1: L.13(c)4. L-29. The Offeror shall provide a listing of the five most relevant contracts that the Offeror and the proposed subcontractor(s) have performed during the past 3 years to include a description of how each respective contract is similar in size and complexity to the CaER Directorate Support Services at MSFC. Does the requirement include five contracts for the Offeror and five for each subcontractor?

Answer: The limitation of five contracts is for the entire team regardless of the number of subcontractors. Reference Provision L.13(c) 4, which states, "The Offeror shall complete one Past Performance Interview/Questionnaire Form (see forms following section M) for up to five of the Offeror's most relevant contracts that are currently being performed or have been completed within the last 3 years. The limitation of five forms applies to the Offeror's entire team, regardless of the number of subcontractors/team members proposed".

Question 2: Key Personnel Position Description and Resume Form. Can an offeror complete the electronic form provided, adding additional space when needed or must the form be photocopied as indicated in the form instructions if additional space is needed? Must the form and its contents utilize the Courier 12 point size restrictions?

Answer: Yes, the Offeror may add additional space as necessary and may use a smaller point size provided it is easily readable. However, the substance of the form may be not altered and all requested information must be provided.
